

# Housings & Mounts

For Bosch Flexidome IP Panoramic 7000

The BDH-7500(HB) housings and mounts are designed to compliment the Bosch Flexidome IP Panoramic 7000 series of 180° and 360° cameras when deployed in environmentally challenging locations, where a rugged housing is required, or if the field of view needs to be improved.

## Overview

## Applications

## Manufacturing

Part Number	Description
