

NEW PROTECTIVE OPERATOR PARTITIONS

PROVIDE ADDITIONAL PROTECTION

Social distancing of six feet can be difficult to achieve in a control room environment. The new Winsted operator partition provides an effective, easy-to-install solution that creates a physical barrier between operators in your control room or operations center. These partitions define the personal workspace and reinforce social distancing. Conforms with OSHA 3990-03 guidelines on preparing workplaces for COVID-19.

*Versa-Trak Mounted Partition for:
Sight-Line, Insight, Ascend and E-SOC*

*Edge-Mounted Partition for:
Impulse, Ascend and
Universal Work Surfaces*

*Slat-Wall Mounted Partition for:
EnVision and Prestige Slat-Wall*

- A High-Quality Winsted Original Equipment Solution
