²The May test date in Singapore is May 8.

³We recommend that you bring an acceptable calculator to the test center to use on the math sections of the SAT I.

⁴Some questions on the SAT II math tests require the use of a scientific or

graphing calculator. Students who take these tests without a calculator will be at a disadvantage.

⁵Available at centers designated for listening tests (see *Registration Bulletin*). You **MUST** register by the late registration deadline and bring an acceptable cassette player with earphones to the test center in order to take one of these tests. On test

day, you **CANNOT** substitute a listening test for another test.

⁶The ELPT is offered at many test centers in November and January. ELPT is also offered at participating high schools in the United States, U.S. territories, and Puerto Rico on Tuesday, April 20, 2004. Contact your school counselor by February 13, 2004, if you want to take this test.
