

## PAUL MCVOY

**DIRECTOR - RESEARCH & DEVELOPMENT TAX CREDIT SERVICES**

---

### ABOUT

---

Paul McVoy is a Director at KBKG and devotes his time to consulting companies in maximizing their R&D tax credit claims. He has more than 14 years of experience and has successfully represented many clients, from start-up to Fortune 100 and 500 companies in tax controversy related to their research credits claims. Paul has worked closely with engineers, scientists, software developers and C-Suite personnel in a wide range of industries throughout the country.
