

# You've Had Your Consultation With Hedrick...

## What's Next?

### Decide What You Want

After your initial meeting, you can decide on colors, gutters and other accessories for your roof. Hedrick will send an official proposal, based on what you want.

### Sign Your Contract!

### Choose a Timeframe

Generally, your appointment will be scheduled months in advance so you can decide on a timeframe. Your schedule, Hedrick's availability and, of course, the weather will all be contributing factors!

### Get Specifics

Hedrick will contact you 24-48 hours before your appointment to let you know what to expect. Here are a few frequently asked questions:

#### How long does it take?

It is an all day project, so it can be anywhere from 6-8 hours.

#### Do I need to be there?

You don't need to be, but you sure can be!

#### Do I need to leave?

It might be a little loud, but you are welcome to stay home during installation.

### The Installation

### Enjoy Your Beautiful New Roof!

In an effort to extend the life of your roof, Hedrick offers a yearly maintenance program. For a small fee, members of this program will receive annual roof examinations to check for damage and ensure quality.
