SIENA’S CAMPUS
Is it 10 minutes away from the heart of downtown Albany, or is it 45 minutes away from the Adirondacks? You decide!

ATTEND COLLEGE FAIRS in your area and collect all those handouts available at each table. (They’ll come in handy later on.)

VISIT CAMPUSES. Schools keep tabs of webinars you’ve attended or in-person visits you’ve taken, and will send you information about your top 10. (Short and open houses can usually only last 15 minutes.)

EXPLORE THE WEBSITES of the schools you’re really interested in, and rate each of their admission requirements and deadlines.

JOIN A CLUB, LEAD A TEAM OR START A PROGRAM! Admissions counselors want to see on your application that you’ve actively participated in extracurricular activities or sports.

PLAN TO TAKE FOREIGN LANGUAGE CLASSES every year. French or Spanish courses you’ve already begun can look great in your high school transcript.

REGISTER FOR STANDARDIZED TESTS (the SAT, ACT, subject tests) and study, study, study.
