Corridor Company to Host IACCM Members Meeting in Boston, MA on August 15, 2017

The International Association for Contract and Commercial Management (IACCM) is bringing together organizations and contract professionals to exchange ideas and thoughts on the latest trends in contract management.

Wakefield, Mass. (PRWEB) July 26, 2017

Corridor Company, Inc. is pleased to announce its role as a host for the IACCM Boston Members. Tim Cummins, IACCM's CEO will present on "The Future of Contract Management" and Russ Edelman, CEO of Corridor Company, will explore the topic, "Contract Automation – Designing For the Rule & Not the Exception" with real world examples. This collaborative event is ideal for organizations and contract professionals to participate, share knowledge and stimulate discussions on what's trending in the world of contract management. Typical attendees include IACCM Members, individuals and organizations that are inquisitive about topics on contract management while enjoying synergetic discussions with like-minded professionals.

With over 40,000 members from more than 160 countries and 16,000 organizations, IACCM is the leading collaborative community for sales contracting, procurement, commercial management and legal functions. IACCM enables both public and private sector organizations and professionals to achieve world-class standards in their contracting and relationship management process and skills.
