

The Advanced Immersion Workshop is two-day professional development program that focuses on advanced change management tools and application. During the workshop, participants apply cutting-edge, research-based approaches designed to help deliver exceptional results on complex change.

WHO IS THIS WORKSHOP FOR?

This hands-on workshop is for those interested in delivering exceptional results on complex change projects with advanced tools. This includes anyone:

- Enrolled in or considering enrollment in a Prosci Advanced Certification
- Interested in gaining additional proficiency in Prosci's tools and methods
- Looking for additional tools and insights for addressing complex change projects

For change leaders enrolled into an Advanced Certification Track, fast track your way through five modules and leverage in-person time with Prosci's instructional team and other advanced practitioners.

All change professionals are welcome in this workshop, but basic understanding and experience in change management is required.

WORKSHOP OBJECTIVES
