Prosci Advanced Deployment Leader Application

2020-2021

Prosci Advanced Deployment Leader Application

To ensure that applicants have a complete and clear understanding of the intent of the Advanced Deployment Leader Track and what is required to achieve certification, we provide an overview of the track, the prerequisites and the recertification requirements.

To be considered for this track, please complete the following application form. The final page of this application should be completed and signed by an organizational authority demonstrating support for enterprise change management efforts within your organization.

To approve your application and to ensure that the objectives and outcomes of the Advanced Deployment Leader Certification Track align with your goals, we would also like to speak with you. During this compulsory alignment call we can discuss the course further and answer any questions you may have before enrolling.

Advanced Deployment Leader Objective

Our goal is to further your knowledge, equipping you with the skills to plan for and successfully drive enterprise change management efforts, while setting yourself apart from others in the field.

Upon completion of the track, you will be able to market yourself as a change management deployment leader, a certification that acknowledges your ability to orchestrate, maneuver and lead an organization into change management maturity.

The Advanced Deployment Leader Track consists of a series of modules, all designed to enhance your knowledge and skills. There are education, application and evaluation components in each of the modules that you will be required to complete to achieve certification.

Enrollment Requirements

To embark upon this track, you will need:

- Prosci Change Management Certification
- 5+ years of change management experience
- Manager or supervisor reference (see final page of form). It is essential to demonstrate support for enterprise change management efforts within your organization
- Alignment phone call with Prosci
- Approval of Advanced Deployment Leader Application

Recertification

To maintain certification, the Advanced Deployment Leader Track requires that you remain active in the field of change management. To learn more about the recertification requirements, please speak with your Prosci contact.
