### ***Version 1: For your Christian friend/brother or sister in Christ.***

Hi [Friends Name],

I'm not sure if you're aware, but I support Care Net which champions a cause that is close to my heart—the sanctity and value of human life. As Christians, God has called us to love the least of these, the most vulnerable. Sadly, the womb is one of the most vulnerable places for a human being to reside with over 1 million precious babies being aborted every year.

Would you prayerfully consider joining me in supporting Care Net? One of the things I love about this organization is their comprehensive approach. They like to say they are not just Pro-Life, but Pro-Abundant Life (see John 10:10). They offer compassion, hope, and help to women and men facing pregnancy decisions and empower them to choose life for their unborn children, but they also provide the long-term support these families need to experience abundant life. I would encourage you to check out their website ([care-net.org](http://care-net.org)) and see the impact they are making for the kingdom.

Thanks in advance for taking the time to consider this invitation. Blessings!
