Version 1: For your Christian friend/brother or sister in Christ (that you know is pro-life)

Hi [Friends Name],

Simple introduction (ask about kids, work, church).

Do you have a few minutes for me to share something that is near to my heart.

You may or may not be aware that I support Care Net, which champions a cause that I care deeply about —the sanctity and value of human life. I truly believe in this organization. As someone who shares my passion for this issue, I thought I'd let you know about Care Net and invite you to prayerfully consider joining me in supporting their work.

One of the things I love about this organization is their comprehensive, Christ-centered approach. They don't just focus on saving the unborn child, but also on providing the long-term support these families need to experience abundant life.

It is heartbreaking to know that 1 million precious babies are aborted every year, but I'm grateful that I have an opportunity to make a real difference in reversing this trend through my support of Care Net.

I would encourage you to check out their website (care-net.org) and see the impact they are making for the kingdom.

Like our family, I know that God has blessed you and your family with abundant resources. If you feel led to support Care Net, please consider blessing them with a gift of 1,000 or more? There is a donate link right at the top of their home page

Thank you so much for letting me share this with you!
