99 GRANTS

To Fund Your 2017
Technology Initiatives

www.kajeet.net

866-452-5338

How Do I Pay for Technology?

Technology funding is one of the biggest roadblocks to getting your program off the ground.

Funding is available. Did you know there are over 900 federal tech funding programs that can be used to purchase and develop new or existing tech programs?

In this report, Kajeet provides a brief description of over 100 funding sources that you can use to jump-start or sustain your school's technology initiatives and move forward into the modern classroom.

Start planning first in order to successfully secure grant money. It's important to collect all the necessary pieces of information before you fill out any grant applications.

Discover additional **resources** available to help you.

About Kajeet

Kajeet helps students succeed by providing more than just Internet outside of school. Our innovative solution provides safe, mobile broadband Internet to affordably close the **Homework Gap**.

As educators increase technology in the classroom for learning, Education Broadband™ keeps students connected either at home or on the bus with CIPA-compliant filters and provides administrators with analytics, reporting, and a convenient dashboard to gain insight into student usage.

Our trusted total solution includes: Hardware, data plans, multiple LTE networks, cloud management portal, and customer support.

VIRGINIA

TD Bank Foundation

Amount: Varies

Deadline: Varies by state

DESCRIPTION

Providing educational opportunities that empower individuals and create a framework for life-long learning and economic success.

Where possible, contributions should be programmatic in nature and focus; and add value to the scope of services offered by an organization. Special consideration is given to programs which support low- to moderate-income individuals by providing services, training, or education which improve the quality of life and provide opportunities for advancement.
