

# The Current State of 1:1

## Technology in Schools Across the Country

In recent years, 1:1 has spread to school districts across the nation. Now that educators have had time to adopt and incorporate 1:1 into their curriculum, where does 1:1 stand today? Kajeet conducted a survey<sup>1</sup> to find out.

**1 IN 4**  
EDUCATORS

want to **continue, improve, or implement** a 1:1 program for the 2017-2018 school year.

## WHAT'S THE HOLDUP FOR 1:1?

### A LACK OF:

#### FUNDING

**74%**

FUNDS FOR DEVICES

**32%**

FUNDS FOR SOFTWARE/DIGITAL TEXTBOOKS

**20%**

FUNDS FOR CONNECTIVITY
