

Save \$\$\$ on your prescriptions!

GoodRx

GoodRx makes it easy to find the lowest price on your prescriptions and it's FREE!

- » In under 15 seconds, instantly compare local pharmacy prices for any FDA-approved prescription drug
- » Find discount coupons - Save up to 80% or more on cash prices at over 60,000 U.S. pharmacies.
- » Reduce your out-of-pocket costs - Prices are often lower than insurance co-pays — great for those with high deductibles.
- » Pay no fees - GoodRx is 100% free with no obligation or registration.

Saving up to 80% on all your prescription drugs is as simple as...

1 Click

Visit goodrx.com, enter the drug name & local zip code

2 Compare

Instantly view and compare prices for the prescription at local pharmacies

3 Save

Take the GoodRx coupon to the pharmacy with the lowest price and save up to 80%!

Put GoodRx in the palm of your hand.
