AccuQuilt Launches 12-week Video Series: Block of the Week by Eleanor Burns

Fabric Cutting Company and Celebrity Quilter Offer Tips on Cutting & Sewing a Quilt Block Each Week

(OMAHA, NE) September 8, 2017: AccuQuilt, a fabric cutting company with a premiere line of fabric cutters, dies and quilting patterns, is excited to announce a new 12-week video series, "Block of the Week by Eleanor Burns." Each Saturday from 9/2/17 to 11/18/17 a free downloadable quilt block pattern will be released on AccuQuilt.com. A corresponding, in-depth 10-15-minute tutorial video featuring quilting celebrity, Eleanor Burns will be released on YouTube. After the final installment, followers will have finished a sampler quilt using the GO! Qube™ 9-inch Block and their favorite GO!® Fabric Cutter.

Of the company's newest video series, AccuQuilt president Greg Gaggini said, "We're excited to partner with Eleanor Burns again and launch this new weekly video tutorial series. The YouTube videos are short, sweet and loaded with tricks and tips to create the block. We want to engage with quilters, help them get the most out of their AccuQuilt fabric cutting systems and walk them through how to complete a sampler quilt along the way. It's fun and educational for beginners and experienced quilters."
