AccuQuilt Launches New Mobile App Making Quilter's Lives Easier and More Organized

(OMAHA, NE) October 26, 2018—AccuQuilt, a U.S. based company that specializes in manufacturing premiere fabric cutting machines and dies, announced today the launch of a new free app for iOS and Android mobile devices. The AccuQuilt app lets users keep track of AccuQuilt products anytime, anywhere with just a few clicks.

Innovative features on AccuQuilt's mobile app include:

- AccuQuilt product library. Customers have a location to view their personal product library. The app is designed to keep track of all AccuQuilt dies, fabric cutters, starter sets, die bundles, and GO! Qubes and accessories that are owned.
- AccuQuilt product registration. Easily register AccuQuilt products by scanning the barcode or entering the product item number.
- Search and sort capabilities. Find a specific product with ease using this tool. "AccuQuilt is excited to enable quilters and fabric crafters with the ability to prepare projects quicker by carrying their product library in their pocket," said Lynn Gibney, director of product development. "We want to continue strengthening our relationship with customers while improving their shopping experience with us."
