

AccuQuilt Continues 10-Year Anniversary Celebration with Release of Limited-Edition GO!® Die Storage

New storage from AccuQuilt gives quilters a commemorative, customizable way to store their GO! dies.

(OMAHA, NE) July 2, 2018—AccuQuilt, a U.S. based company that specializes in manufacturing premiere fabric cutting machines, is happy to announce the release of its GO! Die Storage Limited Edition-6" x 12". This new release allows GO! die users to customize their storage by consolidating, grouping and labeling up to eight 6" x 12" and 5" x 10" dies.

"Our limited-edition anniversary storage is something for all GO! die users," said director of marketing, Dawn Drazdys. "Whether you have a whole collection or just began cutting with GO! dies, this solution helps you organize your workspace so you can cut time and quilt more."

Voted on by AccuQuilt customers, the clean white packaging with a commemorative anniversary blue touch fits in any room's décor. The blue is also found on the storage system's ribbon tabs, which have traditionally been seen in AccuQuilt green. These convenient tabs make it easy to retrieve the storage from its snugly fit case.

GO! Die Storage Limited Edition-6" x 12" holds eight 6" x 12" or 5" x 10" GO! dies and is compatible with many of AccuQuilt's 2018 GO! die releases, including the 10th Anniversary Limited-Edition GO! Leaping Frog (55199), GO! Elephants (55373) and GO! Airplanes (55366). New dies and storage containers can be purchased at AccuQuilt Signature Retailers or on accuquilt.com.

About AccuQuilt—Better Cuts Make Better Quilts®

Headquartered in Omaha, Neb., AccuQuilt offers quilters, fabric crafters and retailers a premiere line of fabric cutters, dies, quilting patterns and other quilt and fabric cutting solutions that help quilters quickly and accurately cut shapes for quilting and fabric crafts. AccuQuilt also offers quilters a wide variety of rich educational resources to enhance their quilting experiences. Cutting with AccuQuilt cutters is a natural evolution of fabric cutting methods.
