

AccuQuilt Introduces Three New Limited Edition GO!® Dies

(OMAHA, NE) May 14, 2019— AccuQuilt, a U.S. based company that specializes in manufacturing fabric cutting machines and dies, announced the release of their new Limited Edition GO! Sea Life Medley, GO! Emojis and GO! Fork-Knife-Spoon dies for their GO!® Fabric Cutters. Limited Edition dies will only be available until the end of 2019 and will feature a collectible teal-colored tray.

“Limited Edition dies allow us offer dies that are on-trend,” said Lynn Gibney, Director of Product Development. “This year, we are offering three unique shapes, one of which supports the Row by Row Experience 2019 theme.”

The GO! Sea Life Medley features four new appliqué shapes—a crab, fish, starfish and seahorse—that are charm pack-friendly and great for scrap busting. The shapes can be used for fishing or beach-themed projects and can easily fit a pieced project like Storm at Sea blocks.

The GO! Emojis die is also charm pack-friendly and includes a 5½” circle, sunglasses, heart, tongue, team, mouth/smile, eyebrows and smaller circles for eyes to create a variety of emoji expressions. The die can be used in many quilting projects and encourages participation from the next generation of quilters, sewers and crafters.

The GO! Fork-Knife-Spoon die includes larger than life fork, knife and spoon appliqué shapes and coordinates with the 2019 Row by Row Experience® theme of “Taste the Experience”. The shapes are 2½” Jelly Roll strips-friendly and simplify difficult to cut shapes.

All dies come with a project pattern, are compatible with the GO! Me, GO! and GO! Big fabric cutting systems and have a FREE embroidery download with three stitch choices. AccuQuilt appliqué dies can cut through up to four layers of fabric with fusible web already applied. These dies will be available online and through AccuQuilt’s [retailers](#) who are also happy to demonstrate each AccuQuilt fabric cutting system.
