

**FOR IMMEDIATE RELEASE**

**OmniComm Systems® Named as a Top 10 Clinical Data Management Solution Provider**

Fort Lauderdale, FL, December 10, 2015 - OmniComm Systems, Inc. (OmniComm) (OTCQX: OMCM), a global leading provider of clinical data management technology, today announced its inclusion as one of the top 10 clinical data management solution providers in 2015 by Pharma Tech Outlook. Pharma Tech Outlook has chosen [OmniComm Systems](#) as one of the [Top 10 Clinical Data Management Solution Providers](#) of 2015. The positioning is based upon an evaluation of OmniComm’s capabilities in providing the market with a choice of best-of-breed EDC platforms that are purpose-built for their unique clinical research environments.

The annual list of companies is selected by a panel of experts and members of Pharma Tech Outlook’s editorial board to recognize and promote technology entrepreneurship. “OmniComm Systems has been making great strides in the Clinical Data Management arena. Their extensive experience and innovative solutions make them a frontrunner in this arena and we are happy to showcase them this year,” said Stacey Smith, editor-in-chief, Pharma Tech Outlook. “OmniComm Systems’ solutions continue to break new ground, benefiting life science companies around the globe. We are excited to feature them in our Clinical Data Management edition this year.”

“OmniComm Systems is honored to be recognized by Pharma Tech Outlook’s panel of experts and thought leaders,” said Kuno van der Post, SVP of business development, OmniComm Systems. “Our EDC technology is deservedly gaining more recognition as the most innovative and OmniComm is recognized as the EDC specialist.”
