RESULTS PREFERENCE FOR THIS ACCOUNT

If orders are placed in the portal, then results will be delivered via portal ONLY. If orders are placed via fax, results are delivered via fax AND portal (once enrolled).

This location may place orders by fax, but we want to receive results in the portal ONLY.

HIPAA ACKNOWLEDGEMENT

Providers and their designees named below ("Users") may access clinical laboratory testing results and related information ("Test Results") through a secured internet portal. The provider is responsible for limiting access to the Test Results and the uses and disclosures of Test Results to those permitted by HIPAA and for maintaining the privacy of protected health information. If we have reason to believe that the security of any User's portal access has been compromised, we may take actions that include changing the User's portal password.
