WHAT'S NEW

CheckMate APPS New Release

Our new version of CheckMate APPS has now been released. You can access it by choosing HELP from the top menu then CHECK FOR UPDATES.

This selection will:

1. test the unlock codes if you are within the ASP maintenance date and if so
2. will contact the Origin distribution server via the internet to see if an Update is available.
3. if a later version is available, it will list the current version and if you select Update, it will;
 1. Uninstall the current version (follow the screen instruction to remove)- **new**
 2. Download the newer version and install it - **new**

Note: the unlock codes that are installed on your computer will remain unchanged

New: On the install an icon is put on your desktop so you can now review the release notes in a pdf showing enhancements and bug fixes. It is also located on your Windows Start menu, under Origin International Inc./ OriginAPP Release Notes.
