

PUTTING FLEX IN ADMINISTRATION

Simplify the service of flex plans through a single partner. Businessolver supports the administration of healthcare reimbursement (FSA), dependent care reimbursement (DCA) and limited purpose flex plans through our single platform to make the process easier for employees.

BENEFITS MATTER

The trust makes payments according to more accurate bills and saves significant amounts of money on internal resources due to a drastically reduced reconciliation process.

BUSINESS SOPHISTICATION

SNAPSHOT VIEW

In addition to complete benefits election information, employees can view:

- ▶ Balances
- ▶ Claims history
- ▶ Pending claims

SOLUTION

- ▶ Businessolver billing process reduced the timeline to 5 days from start to finish – less than one-third of the time from the previous process
- ▶ Businessolver billing process replaced manual processes with automatic reconciliation processes executed in the Benefitsolver system
- ▶ Monthly audits performed by Businessolver and audit reports available to trust administrators
