

Eliminating Student Loan Debt

Employee wellness comes in many forms – physical, social, spiritual as well as financial. When you encourage your employees to seek financial success, you invest in both their personal and professional growth. Yet, 42% of the current millennial workforce is plagued with student loans. Businessolver wants to help your employees conquer that debt. We have partnered with SoFi to offer opportunities for your employees to refinance or consolidate outstanding student loan debt by offering better rates, zero fees, and unprecedented service.

Employees, friends and families can receive a \$300 welcome bonus upon completing a student loan refinance through www.sofi.com/Businessolver. All of these benefits are available to employees, just by accessing their Benefitsolver® account! Inspire your employees to achieve financial freedom today and gain access to this awesome set of perks.

Services Provided:

- ▶ **Serious Savings** - Low fixed and variable rates. No application or origination fees.
- ▶ **Federal + Private** - SoFi is one of few lenders that can consolidate and refinance both federal and private loans.
- ▶ **Exclusive Rates** - Get rate discounts on an additional SoFi loan—just for signing up.
- ▶ **Wealth Advisors** - Wealth advisors are available to help employees with confusing questions about finances and investments.
- ▶ **Career Support** - SoFi coaches provide support in advancing one's career and building a personal brand.
- ▶ **Unemployment Protection** - If the unexpected happens, SoFi will temporarily pause loan payments and help the member in their job search.
- ▶ **Added Bonus** - A \$300 welcome bonus is available when using Businessolver's unique SoFi URL, www.sofi.com/Businessolver.
