Hong Kong’s Leading Provider of IPO Share Registry Services Tricor Group Presents Curated Seminars to Help Mainland Chinese Companies Navigating Listing Overseas

Tricor Group (Tricor), Asia’s leading business expansion specialist and provider of integrated business, corporate, investor, human resources and payroll, corporate trust and debt services, was pleased to offer two seminars aimed at advising Chinese companies on effectively navigating the opportunities and challenges of listing their firms overseas. The seminars were held on November 27 in Beijing and November 29 in Shanghai.

A team of Tricor executives led interactive sessions at the seminars including **Managing Director of Commercial Services Pamela Chung, Group Director of Business Development, Trust & Corporate Services Karen Cheung, Managing Director of Trust Services Michael Shue, Executive Director of Trust Services Yie Ying Tan** and **Tricor Cayman Islands CEO Ian Comins**.

The seminars provided the latest and up-to-date market knowledge specifically tailored to guide and assist Chinese companies in the mainland throughout their IPO journey – from strategy, planning, and implementation. Key topics covered included capital market updates, stock registry trends, IPO step-by-step planning, family trust structures, employee benefits trust, overview of Cayman Islands vehicles and economic substance rules.

Lennard Yong, Tricor Group CEO, said: “Our team of executives was pleased to meet with growth-minded and ambitious Chinese companies to thoughtfully discuss and strategize how Tricor’s sophisticated asset protection and integrated wealth management solutions can support their end-to-end needs as they prepare to embark on their overseas IPO journey. Listing overseas presents Chinese companies with unique opportunities and challenges. As Asia’s leading business expansion specialist and leading provider of IPO share registry services in Hong Kong with market leading capabilities in Singapore and Malaysia, Tricor is well-positioned to empower Chinese companies through every stage of the IPO process.”
