

WELCOME TO OLEEO

Your All Encompassing Talent Acquisition Platform

Oleeo Recruit – Reduce Workload. Elevate Results.

Your next generation ATS, Oleeo Recruit streamlines sourcing, selecting, and hiring, with data- and AI-driven automation, dynamic workflows, and bulk processing capabilities.

Oleeo Engage – Act inclusively. Nurture Diversity.

Taking CRM to a new level, Oleeo Engage leverages data to enable intelligent, automated candidate engagement, from content shared with candidates in job portals to email campaigns sent to candidates.

Oleeo Events – Reduce stress. Increase success.

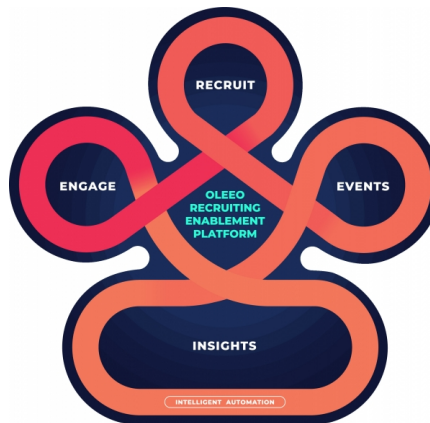

Whether your recruiting events are virtual or in-person, Oleeo Events makes event management easy, automating candidate registration, check-ins, and profile creation, as well as dynamic pre-event and onsite candidate workflows.

Oleeo Insights

Oleeo Insights – Uncover Insights. Drive Action.

Answering your most important recruiting questions, Oleeo Insights includes pre-built analytics dashboards that cover a range of topic areas, helping you to go from “what” to “so what” to “now what.”

INTELLIGENT AUTOMATION FROM BEGINNING TO END

Built with prescriptive recruiting recommendations embedded, the Oleeo Recruiting Enablement platform automates every step of your unique talent acquisition and management process; empowering your team to remove bias, break the source of talent wide open and unleash your recruiting potential. From attracting and engaging to selecting precisely the right talent with intelligent automation and onboarding the diverse teams that will make the biggest impact, Oleeo's products deliver the speed, efficiency and edge your team needs to drive results.
