Primary School

# AI Reading Assessment Demo

British  
Dyslexia  
Association | Assured

## Lexplore ANALYTICS

Mersey Vale was determined to make sure every pupil with a reading difficulty could be identified and provided with targeted support. But the reading assessments the school used to evaluate its pupils only told part of the story! Over a period of two days, every child took the Lexplore Analytic's Assessment.

Come along to our Drop by Demonstration to find out how the technology was able to provide teachers with an entirely unique insight into reading, pinpoint previously hidden difficulties, as well as save countless hours of administration time.

**Date : Tuesday 11th February**

**Time : 15:00 - 17:00**

**Location : Mersey Vale Primary, Heaton Mersey, SK4 2BZ**

To reserve a place, get in touch with the team **0161 697 4166**
