

**Dedicated to improving the  
quality of life for our Veterans**

# We're here to serve you

Arjo works to drive improved outcomes for Veterans with reduced mobility and age-related health challenges.

With thousands of Safe Patient Handling lift installations, Arjo has been a trusted U.S. Department of Veterans Affairs (VA) partner for 35 years. Having a role in ensuring the dignity, safety and comfort of people who served in the U.S. military is a point of pride for Arjo.

Our dedicated, proactive team of certified experts and technicians are committed to ensuring that our VA partners get the most from their equipment and can provide the highest standard of care every day.

Our comprehensive range of safe patient handling and injury prevention solutions are designed to ensure a simple, streamlined process that is safe, comfortable and dignified for everyone involved.
