

UK & Ireland SAP User Group

UKISUG is a 'not for profit' organisation, which is independent of SAP and serves the needs of all SAP users. Being a member of UKISUG is a unique and cost-effective way for companies to develop their use of SAP, including developing their own skills. UKISUG aim to facilitate networking, knowledge exchange and best practice amongst all SAP users.

Benefits of Membership

Learning

- Learn about SAP Business One strategy and the SAP roadmap at events
- We run 3 Business One focused face-to-face events per year, which you can attend for free
- 1 event is run in conjunction with Annual UKISUG Connect conference, which will allow you the opportunity to look at the exhibition hall and attend keynotes
- Access to training days offered
- We provide a channel for SAP to communicate with Business One users through regular communications and events, which showcase the latest updates from SAP
- Unlimited users allowed under single membership within organisation
- Gain access to over 100 online events and webinars
- Benefit from the SAP User Group Executive Network (SUGEN) - a united network of 16 SAP User Group Communities across six continents

Networking and Collaboration

- Provide opportunities to network in a neutral environment and providing access to SAP and industry experts as well as like-minded peers
- Access to UKISUG Jam which is our collaboration forum and enables year-round networking with other Business One users
- Complimentary access to Americas User Group (ASUG)

Influencing

- We provide a platform for you to improve the SAP Business One solutions you currently use
- You can help influence the development of future SAP Business One solutions
