

Position: Associate Director Dining

Location: Grinnell, IA

Company/Organization: Grinnell University

Summary

CMP is partnering with Grinnell University in their search for an **Associate Director Dining**. The Universities mission is to provide students with a broad, deep, life-enhancing education that fosters professional success, personal growth and social responsibility. Grinnell College offers a collaborative, intellectually stimulating work environment and excellent benefits package.

Essential Responsibilities:

- The Associate Director will serve a lead role in the daily operation for residential dining to ensure high quality, cost efficiency and service to customers.
- Provide leadership and direction to the dining hall staff, including the dining hall supervisors. The position will oversee the Union of Grinnell Student Dining Workers (UGSDW) agreement and software applications.
- The Associate Director will provide oversight of operations including safety, sanitation and special dietary and nutrition programs.
- This position coordinates special events and staff development for students and assigned staff to assure excellent operational standards meet departmental goals.
- Assist the director and management team in development of long-range planning and the development and monitoring of budget and performance standards.

Education & Experience:

- High School or GED equivalent required. Bachelor's Degree Preferred
- Three years or more in an academic or related food service environment.
