

# Key Source

**We Provide Qualified Candidates Quickly**

**As a talent acquisition leader, you have to source great talent in a timely fashion.** This is where Remington Search Partners (RSP) can help. Through our *Key Source* candidate generation program, we can quickly provide you with prospective candidates that meet the requirements of the role.

## Why Key Source?

### Speed

RSP leverages our broad data base, networks, and deep sourcing capability. We are able to surface prospects quickly, often within a few days.

### Quality

RSP surfaces prospective candidates that meet the unique requirements of your role. This enhances your candidate pool for targeted roles.

### Confidentiality

RSP's *Key Source* program offers an efficient and effective approach to generate prospective candidates in a confidential and timely manner.

### Expanded Talent Pool

RSP utilizes our broad reach to support your internal team's sourcing efforts with new prospects from inside and outside your industry. The result is an expanded quality talent pool for your hiring leaders.

### Cost Effectiveness

The *Key Source* solution is offered at a one-time price per role/job, with no additional costs if prospects are hired.

### Seamless Support

RSP works as an extension of your recruiting and sourcing efforts. We do not require an exclusive arrangement, and operate as a behind-the-scenes candidate generation component of your internal team's sourcing engine.

Remington Search Partners is a wholly owned subsidiary of Career Management Partners (CMP).
