

RETIREMENT OFFERING

Shaping Your Next

At CMP, we understand that each situation is unique.

If you are thinking of transitioning into an active or semi-active retirement, there are many resources that we provide to make this the most rewarding time for you. Your Career Transition Program, specifically geared for retirement, includes the following:

- ◆ One-on-one coaching to work on bio and resume development – tailored to your retirement lifestyle objectives.
- ◆ One-on-one financial planning consultation, ensuring you have the freedom from worry.
- ◆ Resources to engage in more entrepreneurial pursuits.
- ◆ Review of options for living a meaningful, active retirement (i.e. volunteer, philanthropic pursuits, and community service opportunities).
- ◆ *Workbook, Your Next 25 Years: Seven Ways to Enhance Your Retirement Transition and Lifestyle Plans* by Pam Venne.
- ◆ Online Support, including OI Solutions and Proactive Retirement webinar.

With 10,000 people in the U.S turning 55 each day, many are struggling with what to do with the rest of their lives. CMP High Definition Search provides the best value and results.

Most people spend more time planning a two week vacation than they do on designing their retirement, which can last up to 30 years! If you are among those people who are questioning what “retirement” will look like and how to structure it to fit your needs, this book will be beneficial in helping you discover your own path. We have found that there are **seven specific life areas** that impact how effectively you cross retirement’s ephemeral boundary. **These areas include:**

- ◆ Perceptions of Aging
- ◆ Dealing with Change
- ◆ Family/Social Support Life
- ◆ Meaning/Purpose/Passion
- ◆ Work and Play
- ◆ Health
- ◆ Finances

CMP is a talent and transition firm in the business of developing people and organizations across the full talent life cycle – from talent acquisition and leadership development, to organization development and career transition support.
