

TALENT CONSULTING

Ensuring Your Strategy is Never Constrained by a Lack of Talent

CMP provides best practice consulting and custom solutions in helping your company build a total talent.

Getting the right people – fully engaged and developing in the right roles – requires a **systemic approach** to talent management. We help you implement the approach and systems that will ensure your strategy is **never** constrained by a lack of talent. Ultimately, every organization will achieve the results that it is designed to achieve. When it comes to talent and people systems, it is critical that companies are very conscious of the design. Companies need to understand how all the people systems fit together and what is needed to drive the results required of the strategy.

CMP will evaluate the whole talent life cycle from

- ◆ Selection and onboarding
- ◆ Performance and development
- ◆ Succession management
- ◆ Engagement process

We surface the strengths, opportunities, and misalignment of your talent systems with the company strategy. Our recommendations and solutions **always** fit the needs and realities of the client organization.

CMP is a talent and transition firm in the business of developing people and organizations across the full talent life cycle – from talent acquisition and leadership development, to organization development and career transition support.
