

Realizing Possibilities Through Impactful Talent Solutions

Image Consulting

What does your first impression say?

Everybody knows how important first impressions are. But not everybody knows that the "first impression" is actually only a seven second window upon first meeting someone. Working as your partner, Image and Style Consultant, Veena Puri, and owner of DivaSole, will help you make the right first impression.

Veena specializes in helping men and women look and feel their personal best in all walks of their life. From the boardroom to the daily workplace situations, Veena will cater to your wardrobe needs with a personal touch.

There are several coaching programs available, from the Business Casual or Business Casualty Package, to a Closet Refresh or Personal Transformation Package.

CMP is a talent and transition firm in the business of developing people and organizations across the full talent life cycle – from talent acquisition and leadership development, to organization development and career transition support.
