

# Realizing Possibilities Through Impactful Talent Solutions

## Key Source

### We Provide Qualified Candidates Quickly

**As a talent acquisition leader, you have to source great talent in a timely fashion.** This is where Career Management Partners (CMP) can help. Through our Key Source candidate generation program, we can quickly provide you with prospective candidates that meet the requirements of the role, team, and organization.

#### Why Key Source?

##### Speed

CMP leverages our broad database, networks, and deep sourcing capability. We are able to surface prospects quickly, often within a few days.

##### Cost Effectiveness

The Key Source solution is offered at a one-time price per role/job, with no additional costs if prospects are hired.

##### Quality

CMP surfaces prospective candidates that meet the unique requirements of your role. This enhances your candidate pool for targeted roles.

##### Confidentiality

CMP's Key Source program offers an efficient and effective approach to generate prospective candidates in a confidential and timely manner.

##### Expanded Talent Pool

CMP utilizes our broad reach to support your internal team's sourcing efforts with new prospects from inside and outside your industry. The result is an expanded quality talent pool for your hiring leaders.

##### Seamless Support

CMP works as an extension of your recruiting and sourcing efforts. We do not require an exclusive arrangement, and operate as a behind-the-scenes candidate generation component of your internal team's sourcing engine.
