

Safer Return-to-Work and Business Continuity solutions from Advanced UK

Workplace Screens for Office or Retail Use

We're helping businesses comply with the H&S Executive and Government guidelines for a safe return to work.

Clients are deploying our mobile spit, cough, and sneeze protections screens in two configurations: choose either desk dividers or retail operation check-out counters.

Available in three sizes, there's no hardware to install. Made in Germany.

YOUR LEGAL RESPONSIBILITIES

The **Management of Health and Safety at Work Regulations (1999)** require you to perform suitable and sufficient risk assessments, and to take all reasonable precautions to protect their health.

From desk and counter screening, to contactless printing and janitorial supplies, Advanced UK has your safety requirements covered.

Protect staff and customers with countertop and desk protection screens for compliance with the H&S Executive requirements

The Screens you Need

Our mobile spit, cough, and sneeze protection counter and desk dividers are perfect for store's cash desks and check-out counters, as well as for creating safe screening between employee desks.

These screens enable physical distancing between people, while allowing goods and objects to be handed over.

The result: increased hygiene and safety for customers and employees.

Key Features

- ✓ Serve as spit and sneeze protection, preventing droplet infection.
- ✓ Easy-to-clean surfaces specially designed for standard disinfectants,
- ✓ Immediate deployment – far easier than screen suspended from ceilings. No hardware or tools required.
- ✓ Optional ceiling deployment kit is included, consisting of 3.2mm plastic chain, so your screens can be deployed horizontally or vertically.
- ✓ Also available in acrylic or tempered glass configurations with floor stands.

Sizes Available

ASPA6580	80 x 65 cm
