

KICK OFF

**APRIL
29TH**

State agency notifies Supplemental Health Care of the roles that are needed.

Positions include:

- ▶ Registered Nurses
- ▶ LPNs
- ▶ Psych Techs
- ▶ Dieticians

State requests that all candidates be working **within 12 days**.

**MAY
1ST**

URGENCY

Facility contacts SHC on Friday to request that clinicians begin work before Tuesday, only 6 days from the project's start.

DELIVERY

SHC's local CA offices, national travel teams, Client Service Managers and Compliance teams work tirelessly through the weeknd to fast-track credentialing and align candidates for an ASAP start.

**MAY
2-3RD**

**MAY
4TH**

ON ASSIGNMENT

Less than one week after SHC received the needs, more than 75% of roles were filled with working clinicians.

By the original target date, all roles were filled with working professionals.
