

Dear Voyage Healthcare OB Patient,

Thank you for allowing Voyage Healthcare's OB/GYN department to follow you during this special time of your life. We are proud of our new slogan, Health Begins Here and hope to continue our involvement with you and your family beyond the birth of your baby.

You will soon be making another important decision, the selection of a doctor for your newborn. Voyage Healthcare's Family Medicine physicians, physician assistants and nurse practitioner are highly experienced in the care of infants and children and would be happy to care for your baby as well as your entire family. They are dedicated to providing personalized, high quality healthcare for all ages. As you make this important decision, we would like you to consider Voyage Healthcare's Family Medicine's department for your infant and even for your family.

When you have visited our clinic office(s) for your obstetric appointments, we hope you have observed the interaction of our healthcare providers and staff with children and parents. Our team of friendly, committed professionals is focused on the patient and the families they serve. In the tradition of Voyage Healthcare, our Family Medicine providers will not only provide for you and your family's healthcare needs but will also be supportive and help you make many important decisions such as:

- Breastfeeding*
- Circumcision*
- Immunizations*
- Safety precautions*
- Daycare*
- Working mother's issues*
- Growth and development*
- And any other concerns you may have*

We encourage you to carefully consider one of Voyage Healthcare's Family Medicine providers for the newest member of your family, you baby. Please see the reverse side of this letter for more information, office locations, hours and appointment phone numbers.

Sincerely,

Voyage Healthcare Family Medicine Department
