HOW TO CONNECT

To move forward with Big Road integration, we will need an API Key to complete the connection:

1. Sign in to the Big Road portal with Admin Access.
2. Click on the "Fleet" tab.
3. Click "Apps" on the left.
4. You will see a button allowing you to generate an API Key.
5. Please provide API Key once it has been generated to your Descartes MacroPoint Activations Consultant. If one has not yet been assigned to you, please email this information to the Descartes MacroPoint Activations Team at MPActivations@descartes.com.

NOTES

When requesting an API Key or user credentials to be provided for use with Descartes MacroPoint, please ensure that the credentials have administrative permissions/API access.
