

EZ FLEET INTEGRATION

Updated April 4, 2019 | www.Carrier.MacroPointConnect.com/Technical-Documentation

HOW TO CONNECT

1. To move forward with a Gorilla Safety integration, please provide a username and password that has access to the "SVR" portal/user interface. You may create a new user specifically for the connection if you like.
2. You will need to send the username and password to your dedicated Descartes MacroPoint Carrier Activation Consultant once that information has been obtained or created. If you have not been assigned a dedicated MacroPoint rep yet, please send this information to MPActivations@descartes.com.

NOTES

When requesting an API Key or user credentials to be provided for use with Descartes MacroPoint, please ensure that the credentials have administrative permissions/API access.
