

FLEET COMPLETE (AT&T) INTEGRATION

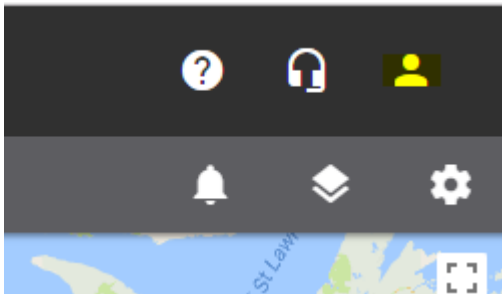

AT&T Fleet Complete

Updated April 24th, 2018 | www.Carrier.MacroPointConnect.com/Technical-Documentation

HOW TO CONNECT

Fleet Complete users can create an account with the appropriate access themselves:

1. A user with administrative access to your Fleet Complete portal will need to create a user specific to MacroPoint.
2. Log into this account and click the person silhouette in the top right corner, then click "user profile".

3. Provide the Name, Email, and Client ID used along with the password you created for the MacroPoint user profile to your Descartes MacroPoint Activation Consultant. If one has not yet been assigned to you, please email this information to the Descartes MacroPoint Activations Team at MPActivations@descartes.com.

User profile	
<u>General</u>	Name Macropoint
Change Password	Email TSelzer@descartes.com
	Client ID 24913

NOTES

When requesting an API Key or user credentials to be provided for use with Descartes MacroPoint, please ensure that the credentials have administrative permissions/API access.
