HOW TO CONNECT

To move forward with a Fleetilla Connect integration, we will need an API key to complete the connection.

1. Sign into the portal with Admin Access.
2. Click on the "Apps Icon" to the left of your username.

3. Click "Account Management".

4. Click "Fleetilla Connect" to generate an API key.

5. Once you have this API key, please send it to your Descartes MacroPoint Activations Consultant. If one has not yet been assigned to you, please email this information to the Descartes MacroPoint Activations Team at MPActivations@descartes.com.

NOTES

When requesting an API Key or user credentials to be provided for use with Descartes MacroPoint, please ensure that the credentials have administrative permissions/API access.
