SILVERLINING (SYNOVIA API) INTEGRATION

Updated April 16, 2019 | www.Carrier.MacroPointConnect.com/Technical-Documentation

HOW TO CONNECT

1. To move forward with a Silverlining integration, you will need an API key. Please reach out to Synovia/Silverlining support and ask for an API key.
2. Please send this API key to your dedicated Descartes MacroPoint Carrier Activation Consultant once that information has been obtained or created. If you have not been assigned a dedicated MacroPoint rep yet, please send this information to MPActivations@descartes.com.

NOTES

When requesting an API Key or user credentials to be provided for use with Descartes MacroPoint, please ensure that the credentials have administrative permissions/API access.
