

VERIZON NETWORK FLEET INTEGRATION

Updated February 5th, 2018 | www.Carrier.MacroPointConnect.com/Technical-Documentation

HOW TO CONNECT

Steps for the NetworkFleet integration are as follows:

1. Navigate to <https://developer.networkfleet.com/clientRegistration/index> and use your portal username and password to log in.
2. Click "Register New Client".
3. Create a "Client ID" and "Client Secret".
4. Once you have saved your entry, please provide the Client ID & Client Secret to your Descartes MacroPoint Activations Consultant. If one has not yet been assigned to you, please email this information to the Descartes MacroPoint Activations Team at MPActivations@descartes.com.

NOTES

When requesting an API Key or user credentials to be provided for use with Descartes MacroPoint, please ensure that the credentials have administrative permissions/API access.
