

WIRELESS LINKS WirelessLinks INTEGRATION

Updated April 16, 2019 | www.Carrier.MacroPointConnect.com/Technical-Documentation

HOW TO CONNECT

1. To move forward with a Wireless Links integration, please reach out to your Wireless Links rep to request an API key and your hostname for connection.
2. Please send this API key and your hostname to your dedicated Descartes MacroPoint Carrier Activation Consultant once that information has been obtained or created. If you have not been assigned a dedicated MacroPoint rep yet, please send this information to MPActivations@descartes.com.

NOTES

When requesting an API Key or user credentials to be provided for use with Descartes MacroPoint, please ensure that the credentials have administrative permissions/API access.
