# IBRIGHT INTEGRATION

Updated May 9th, 2018 | www.Carrier.MacroPointConnect.com/Technical-Documentation

## HOW TO CONNECT

To move forward with iBright integration we will need an API key to complete the connection.

1. Sign into the iBright API portal https://api.ibright.info.
2. Click on "api keys" on the left.

3. Enter MacroPoint as the Application Name and click "Create New".

4. Once you have this API key, please send it to your Descartes MacroPoint Activations Consultant. If one has not yet been assigned to you, please email this information to the Descartes MacroPoint Activations Team at MPActivations@descartes.com.

## NOTES

When requesting an API Key or user credentials to be provided for use with Descartes MacroPoint, please ensure that the credentials have administrative permissions/API access.
