

CASE STUDY

ABOUT ST. MARTIN'S EPISCOPAL SCHOOL

Founded in 1947, St. Martin's is a coeducational, independent school that provides students from 8 weeks to grade 12 with a college preparatory education focused on development of the whole person. Students and faculty embrace the school's motto, "Faith, Scholarship, and Service." St. Martin's values inclusivity and practices it throughout the school, ensuring all students have opportunities to lead and learn.

We spoke with Angela, the HR Director and Payroll Administrator at St. Martin's. When she's not in the office, she enjoys running and binge watching her favorite TV shows.

THE NETCHEX IMPACT

Before Angela and her team made the switch to Netchex in 2014, they had already gone through 2 different payroll providers. What stands out most to Angela is the level of efficient service and personalization she gets from her support team. With Netchex's team-based approach to service, Angela never has to deal with 800 numbers or resources lacking in Netchex expertise. Her Netchex team is a direct call or email away, and getting to utilize a local company in Louisiana is also a big plus for her.

Netchex Services:

- ✓ Time & Attendance
- ✓ NetBenefits
- ✓ NetRecruiter

- ✓ NetGuide
- ✓ ESS / MSS
- ✓ NetCOBRA

“Netchex has been the best payroll platform I have used in my 12 years at my job. We had two previous providers, but Netchex gives one on one help and it is nice to have dedicated people to our company.

Personally, I am grateful Netchex is local. I really have not found a downfall. ”

- Angela at St. Martin's

WHY WE WERE (AND ARE) THE BEST SOLUTION

Having a dedicated service team means Angela has access to help when she needs it. Her service team is able to walk her through the Netchex applications, making her more self-sufficient and easily learning best practices. Her favorite aspect of Netchex is the Time and Attendance platform, which she finds **“very easy and helpful”** when getting her job done with over 500 employees.

What we love most about our relationship with Angela and St. Martin's is the friendship and bond formed between St. Martin's and Netchex. **We are more than just payroll and human resources for Angela; we are faces and names she knows and recognizes, ready to help when she needs it.**
