

Subject: One Solution for Payroll to Performance

Body:

Client's First Name:

As you know, the PerformYard team strives to make employee performance and overall engagement easier for your company. That's why I am really excited to let you know about our latest payroll integration partner, Netchex.

Netchex is a full-service payroll provider that makes managing your business a breeze. They handle everything from payroll, benefits administration, and tax compliance – all in one easy to use system. And clients across the country they can suit just about any industry. Executives from major corporations have touted Netchex's single-source solution for smarter hiring, streamlined onboarding, and 360 Compliance, among other benefits.

I'd love to introduce you to a Netchex representative for a 20-minute conversation to review your payroll processes and to see if they can help you make 2019 one of your most productive years. Do you have time on your calendar this week?

Regards,

(PerformYard Rep)
