- Error-proof payroll processing with full tax compliance
- Strong, flexible reporting
- Electronic employee files
- Task management
- Benefit Administration with ACA Compliance
- Full COBRA Administration
- Streamlined and automated performance management

**STRONGER EMPLOYEE RELATIONSHIPS**

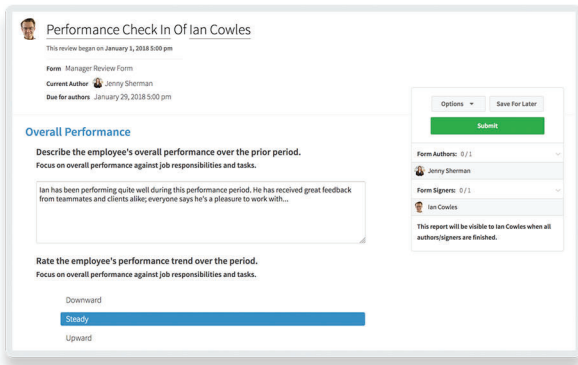

## Performance Management Can Be Easy

Build your vision with the right combination of performance reviews, goals and continuous feedback. PerformYard can be slimmed down for simple annual reviews or built up for complex performance management strategies.

**Employee Reviews:** Facilitate any review process including quarterly check-ins, executive 360s, new-hire reviews, or simple manager reviews.

**Goal Management:** Cascade corporate objectives, set quantitative or qualitative goals, collaborate, and update goal progress in review cycles.

**Continuous Feedback:** Recognize achievement, document 1-on-1s, keep private performance notes, share direct feedback, and much more.

## Harness the Power of Netchex Payroll & More
