

Super Soaker

#250

SCRAPER/WIPER | MEDIUM TRAFFIC ★★★★★

Super-Soaker is definitely our most reliable scraper/wiper for demanding environments. Superior design traps dirt in the grooves of the mat and extends the life of your flooring investment. Fibers designed to retain water and reduces hazardous floor conditions. This premium mat will hold pounds of dirt and continue to wipe moisture from shoes.

APPLICATIONS

For interior areas with medium traffic - universities, airports, hospitals, large retail stores, shopping malls, and schools.

FEATURES

- Non-skid nib backing will effectively grip the mat to the floor.
- Crush-proof heavy duty needle punch waffle pattern design will hold its shape.
- The waffle pattern will scrape shoe bottoms and hold dirt beneath the shoe level while wiping moisture.
