

WORKERS DELIGHT™ CORRUGATED RUBBER

#544 / #554

DRY AREA MATS | Premium ★★★★★

Workers-Delight Corrugated rubber surface offers directional traction for increased safety and easier maintenance. Now with our patented Zedlan™ Foam, this anti-fatigue mat provides 50 percent more comfort than traditional mats. Provides a combination of anti-fatigue and slip resistance for areas that require high performance.

APPLICATION ENVIRONMENT:

Provide a heavy-duty solution for dry areas e.g.: Machine Shop, Assembly Line, Steel Mill, and Maintenance Department.

FEATURES

- V-groove rubber top surface enhances slip-resistance and increased chemical resistance.
- Textured surface improves traction in dry areas
- Highly energized Zedlan Foam base provides excellent anti fatigue relief
- The new slip-resistant coating on the underside of mat ensures steadiness and control on smooth surfaces.

#544 - Standard 5/8" Thick

#554 - Ultra 7/8" Thick (provides 50% more comfort)
